FONTENO TOWN COUNCIL

presents...

Sunday 20th June 2010

There are four different guided trails enabling the visitor to discover the riches Fonteno has to offer. Each of the trails has its own story and each is charming in its own way. One of Fonteno's restaurants or agriturismos has been coupled with each trail and here you can enjoy the different menus which have been knowledgeably created to pay tribute to a very very small fruit with an intense yet delicate aroma: the wild strawberry. The fragaria vesca is an intensely scented herbaceous plant, part of the rosaceae family which grows spontaneously in the undergrowth of our valley. Choose the trail which most interests you and let us know you are coming by filling in and sending off the registration form (attached) or which you can download directly from the Fonteno Council web site: www.comunefonteno.com.

You must register before 10/06/2010

Info-line: 340/7964137 - 328/7435152

Meeting point: Fonteno sports ground at 9.00 for each of the four trails.
